Activity: Research
Cannibalism as a norm

Learning objectives

At the end of this activity you should be able to:

- · Identify different types of cannibalism.
- · Identify cultural reasons for cannibalism.
- Explain how norms about cannibalism reflect cultural attitudes to death and bereavement.

In some cultures and in some circumstances, cannibalism is a cultural norm.

- A. Using the web links below (or others), find definitions for the following types of cannibalism:
 - 1. exocannibalism
 - 2. endocannibalism
 - 3. necro-cannibalism
